POLTAVA STATE MEDICAL UNIVERSITY  
DEPARTMENT OF CLINICAL ANATOMY AND OPERATIVE SURGERY**

**The First Ukrainian International Morphological Symposium  
"Recent advances in Clinical Anatomy and Operative Surgery in the modern medicine  
and dentistry development"  
Poltava, June 16-17, 2022**

**INVITATION LETTER**

**Dear colleagues!**

In the present difficult conditions and martial law in Ukraine, the Department of Clinical Anatomy and Operative Surgery continues its scientific activity. Poltava State Medical University invites you to attend the **First Ukrainian International Morphological Symposium** held during June 16-17, 2022 with the theme **"Recent advances in clinical anatomy and operative surgery in the modern medicine and dentistry development"** (according to the register of congresses, symposiums and scientific-practical conferences for 2022, Certificate № 685 dated September 3, 2021).

**Program issues:**

- The use of morphological research in modern medicine and dentistry development.
- Prospects for morphological and clinical research development.
- Modern medical achievements.
- Modern achievements of dentistry.
- Modern achievements and prospects for higher medical education development.

The official symposium languages are Ukrainian and English.

Symposium Proceedings will be published in the scientific-practical journal - "Bulletin of problems in biology and medicine" in articles form. Articles requirements can be found on the official journal website [here](#).

The Symposium materials in the thesis form will be published in the journal addition, which will be posted in electronic form on the "Bulletin of problems in biology and medicine" website separately.

The requirements for the design of abstracts can be found [here](#).

The Symposium materials will have E-ISSN, each publication will be assigned by DOI.

Each participant will receive a personal certificate of continuous professional development with a unique number generated by the database of the Testing Center of the Ministry of Health of Ukraine, in case of symposium participation.

Articles and thesis are accepted till May 15, 2022.

The material should be submitted by e-mail - [visnik.umsa@ukr.net](mailto:visnik.umsa@ukr.net) with the note Symposium. Contact phone numbers: (0532) 60-96-12, 60-95-84, +380506686851; +380982023431 - Professor Pronina Olena Mykolayivna.

More detailed information about the publication can be found on the official journal website: <https://vpbm.com.ua>.
